

A photograph of a man and a woman walking away from the camera in a park. The man is wearing a white long-sleeved shirt and the woman is wearing a blue dress. They are walking a black dog on a leash. The background is filled with green trees. Overlaid on the image is the text 'Experts are HERE to relieve your neck and back pain.' in a mix of white and yellow/gold colors.

Experts are HERE to relieve your

neck and back pain.

Mercy's success rates, as shown in this chart, surpass the national averages.

Area/access point	No. of patients	% improved	% fused
Neck/front	217	99	98
Lower back/front	181	93	99
Lower back/back	191	94	99

Mercy's skilled neurosurgeons use state-of-the-art decompression and fusion to relieve pain, weakness, numbness and tingling cause by pinched nerves, degenerative spine disease and herniated disks.

Fusion success often equates to long-term relief and improvement of symptoms, greatly reducing the need for additional surgical intervention.
